ABOUT ME

A very open-minded thinker and scholar, I have taught at five of the leading universities in South East Asia and the Arabian Peninsula. A passionate Professor with two and half decades of experience in teaching and research in Islamic Culture, Qur'anic Exegesis, Qur'anic Sciences, Leadership. Expert in organizing and implementing approved curriculum in a learning environment that encourages students to develop and fulfill their academic potential.

Equipped with high level skills, including the ability to manage a high volume of work under different circumstances. I have an outstanding publication in English, Arabic, Albanian, Bosnian and Turkish. Further more Turkish, Bosnian/Croatian/Serbian languages also are under my command.

As a European Albanian Muslim Scholar from Kosovo, I embrace religious, cultural and human diversity. After all, is the lifeblood of the State of Qatar

I am a moderate, practicing Muslim who upholds the values of moderation in all facets of religious and social life. My style of compassionate listening and leadership has contributed to my success being the first among few Muslim scholar from the Balkans working abroad with international higher education learning communities.

I am easily able to engage the sacred Divine text and quote accurately within the context of any lecture or conversation.

Thank you for this opportunity to serve and God bless us...Amin
